■ **Recent donations of ceramics at Museum Boijmans Van Beuningen** **FIRED CLAY - RECENT DONATIONS OF CERAMICS**

Exhibition

19 June – 12 November 2010

This summer, Museum Boijmans Van Beuningen is presenting more than 130 ceramic objects in the exhibition 'Fired Clay'. These vases, bowls and containers have recently been donated to the museum by private collectors and have never previously been exhibited publicly.

The gifts from the Den Blaauwen, Verberne, Van Achterbergh and Willems collections represent a significant enrichment of the museum's collection of Dutch and international ceramics.

I'm very glad that 2 objects donated by Mw. R.M. Willems, nr.110 'Vaas zwart', 1986, and nr. 247 'Corner', 1991. (nr. 110 is exhibited)
