Although the lyrics were originally written for a different tune, Weatherly's sister modified them, in 1913, to fit "Londonderry Air" (Irish diaspora anthem : irish emigrants and their descendants in countries such as the United Kingdom, the United States, Canada, Australia, Argentina, New Zealand, Mexico, South Africa, Brazil and states of the Caribbean and continental Europe. The diaspora, maximally interpreted, contains over 80 million people, which is over eleven times the population of the island of Ireland itself). "Danny Boy" was intended as a message from a woman to a man, and Weatherly provided the alternative "Eily dear" for male singers in his 1918 authorised lyrics. However, the song is actually sung by men as much as, or possibly more than, women. The song has been interpreted by some listeners as a message from a parent to a son going off to war. The song is widely considered an Irish anthem, although Weatherly was an Englishman. Sheet music begins with blank music staff paper consisting of graphs that have five lines and four spaces, each of which represents a note. Songwriters who compose songs in standard musical notation use staff paper to create sheet music, which can then be passed on to musicians who interpret the sheet music for a music performance. Today, making your own sheet music is easier than ever. With notation software such as Finale, or the free web-based Noteflight service, anyone can turn their musical ideas into professional music sheets. Use Noteflight to get started (see "Resources"). Noteflight is a free web-based music notation service that allows you to write, print, and even save your sheet music as music files for playback. Noteflight has a clean, easy-to-use interface that makes it possible for even a beginner to create a song in sheet music. Since Noteflight allows you to listen to to what you've written, you can experiment with different notes until you create something that sounds good, even if you are unfamiliar with music composition. Create a Noteflight account and log in to begin creating your sheet music. You can begin writing your song immediately. At the top of the page, located on a toolbar, click "New Score" to create a blank sheet music document. Select whether you want your sheet music private or shared. Noteflight presents you with a blank music sheet in the Key of C with a 4/4 time signature. Click "Edit Title" at the top of your sheet music and type in the name of your song, then click "Edit Composer" and type your name. Make any changes necessary to your key signature or time signature on the "Score" menu with either the "Change time signature" or "Change key signature" command. Add notes and rests to your sheet music by clicking on the blank music staff. A notehead appears, and you can drag and click where you want the note to appear. You can also use the floating palette to select different note durations. As you insert your notes, Noteflight will automatically reformat your sheet music to keep the proper number of beats per bar. To listen to what you have written at any point, go to the "Play" menu and select the playback option you want. Print your sheet music when you finish composing your song. The result will be a professional score of your song composition. You can also use Noteflight to make an audio file of your composition. Noteflight lets you assign actual instrument sounds to the appropriate parts. Go to "File" and select "Export" to save your finished sheet music as an MP3 or wav file. This allows you to take an example recording to your band. World's Largest Sheet Music Selection Skip to main content Choral Choir (3-Part Mixed) - Digital DownloadComposed by Traditional. Weatherly. Arranged by Thomas Quigley. A Cappella, Celtic, Concert, Folk, Holiday, Octavo, 5 pages. Thomas Quigley #3400267. Published by Thomas Quigley (A0.731860). Item Number: A0.731860 This "a cappella" version has the potential to sound really beautiful. The three voices are all treated to the wonderful tune at some point, and along with the exquisite harmonies and a little rubato in performance, this is a very fine arrangement. With dramatic dynamic contrasts, varied use of textures and attractive subtle descants, this song is very moving. It does however pose a certain challenge, in that there is no accompaniment and in the chromatic harmonies chosen at times to enhance the mood. It is suitable for school choirs and is a perfect concert or competition choice.
